\$0.01 – \$0.04 senes are to be Rounded DOWN

E.g. Total Shopping to be paid = \$12.44 sene, it should be Rounded DOWN to \$12.40 sene

\$0.05 – \$0.09 senes are to be Rounded UP.

E.g. Total Shopping to be paid = \$12.45 sene, it should be Rounded UP to \$12.50 sene

This Notice was produced due to many complaints received by the Ministry on traders Rounding UP total amounts to be paid by consumers even if it is three (\$0.03) or four sene (\$0.04).
