

Samoa Airport Authority

Request for Information

1. Government of Samoa through the Samoa Airport Authority (SAA) wishes to invite interested parties to participate in a Request for Information (RFI) aiming at obtaining information shaping an envisaged Public Private Partnership (PPP) project at the Faleolo International Airport in Upolu.
2. SAA invites interested parties to provide information on how they intend to partner with the SAA and whether they are interested in either the aeronautical, non-aeronautical services or both. The information and understanding obtained in the RFI shall be used by SAA in the structuring of the subsequent bidding process of the Project. The RFI document and further information can be obtained from the SAA website www.samoairports.com.
3. Completed RFIs must be addressed and delivered to the address below, on or before **4pm, Friday, 28th June 2019**.
